

Benjamin Chan

Founder of CLYMB Consulting

**Project Leadership Speaker,
Leadership Coach, & Workshop Facilitator**

Benjamin Chan is a dynamic leadership speaker, workshop facilitator, and coach with a proven track record of transforming project managers into confident and strategic leaders.

Empowering project managers to lead with confidence, deliver with impact, and build a legacy of excellence.

Equipped with over 15 years of diverse experience across industries such as Oil and Gas, Utilities, Fintech, Banking, Government, Technology, and many more, Ben combines his generalist expertise with a passion for people-centered leadership.

As a certified Project Management Professional (PMP), Professional Engineer (P.Eng.), Certified Management Consultant (CMC), and Agile Scrum Master (ASM), Ben brings a unique blend of structured project delivery and adaptive leadership strategies to every engagement and is now focused on helping other PMs reach their performance potential.

Through CLYMB, Ben has empowered hundreds of project managers to achieve peak performance by mastering communication, critical thinking, and leadership skills.
